REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose or suggest the combination of the claimed packing method as amended and supported by the reasons provided in the remarks of the amendment filed on 10/18/2005 and 01/06/2006.

As to claims 4 and 23: the prior art of record fails to disclose or suggest the combination of the claimed packing method comprising providing a pallet (2); placing an article on the pallet (CP); fixing the article on the pallet; wherein an article fixing member is accommodated in an accommodating space internal to the pallet or accommodated to the pallet and the article fixing member can be pulled out from the accommodating space when the article is to be packed (Figs. 2A and 2B); the article is an image forming apparatus (CP), the image forming apparatus is provided at its upper surface with an automatic document feeder having a document catch tray which can open and close and the document catch tray has a shape which stands up, the article fixing member is wound around the document table located below the automatic document feeder having the article fixing member which can open and close, thereby fixing the image forming apparatus on the pallet (Figs. 1, 3, and 4).

As to claims 5 and 24: the prior art of record fails to disclose or suggest the combination of the claimed packing method comprising providing a pallet (2); placing an article on the pallet (CP); fixing the article on the pallet; wherein an article fixing member is accommodated in an accommodating space internal to the pallet or accommodated to the pallet and the article fixing member can be pulled out from the accommodating space when the article is to be packed (Figs. 2A and 2B); a document table corresponding to a surface below an automatic document feeder

Art Unit: 3721

(ADF) corresponding to a ceiling plate (Fig. 4; ceiling plate 8) is provided with a sheet material (5) whose covering area can be changed, the article fixing member is wound around an upper surface of the sheet material (Fig. 1); the sheet material (5) and a cover (6) which covers an upper portion of the automatic document feeder are integrally formed together (Fig. 4).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
